Slithering Snake Activities

Snake Kite

**Materials Needed:** paper plate, paints, crayons or markers, scissors, hole punch, yarn or string

**What to Do:** 1) Color the whole plate in any pattern  2) Cut the plate in a spiral.  3) Punch two eyes in the center (head) of the snake.  4) Tie a length of yarn through the eyes.  5) Grasp the end of the string and run, the snake will twirl behind.

Finger Knitted Snakes

**Materials Needed:** yarn

**What to Do:** Watch this YouTube video to learn how to knit these fun snakes with just your hands.

Creative Writing

Look at the picture on the next page. Can you tell a story about it? Make sure that your story has a beginning, middle and end. Try to use strong descriptive words and vivid verbs. Everyone in the family can write a story, then read them aloud!

Jigsaw Snakes

Using the template included in this packet, create your own ssssnake jigsaw puzzle. Remember to color in the whole puzzle. Then glue the page to cardboard and cut out. The whole family can get involved with this one!

Ssslithering Puzzles and Coloring

Have fun working the puzzles and creating the beautiful coloring pages included in this issue of the Daily Manatee.
Look at this picture. Write a short story about what is happening. Remember that your story must have a beginning, middle and end. Try to use good descriptive words and vivid verbs.
Snake Maze

Help the snake find its rock.
